The Skirmisher

1964

Ex Libris

“We in this country, in this generation, are—by destiny rather than choice—the watchmen on the walls of world freedom. We ask, therefore, that we may be worthy of our power and responsibility—that we may exercise our strength with wisdom and restraint—and that we may achieve in our time and for all time the ancient vision of peace on earth, good will toward men.”

JOHN F. KENNEDY

*(From his undelivered speech,
November 22, 1963)*

Foreword

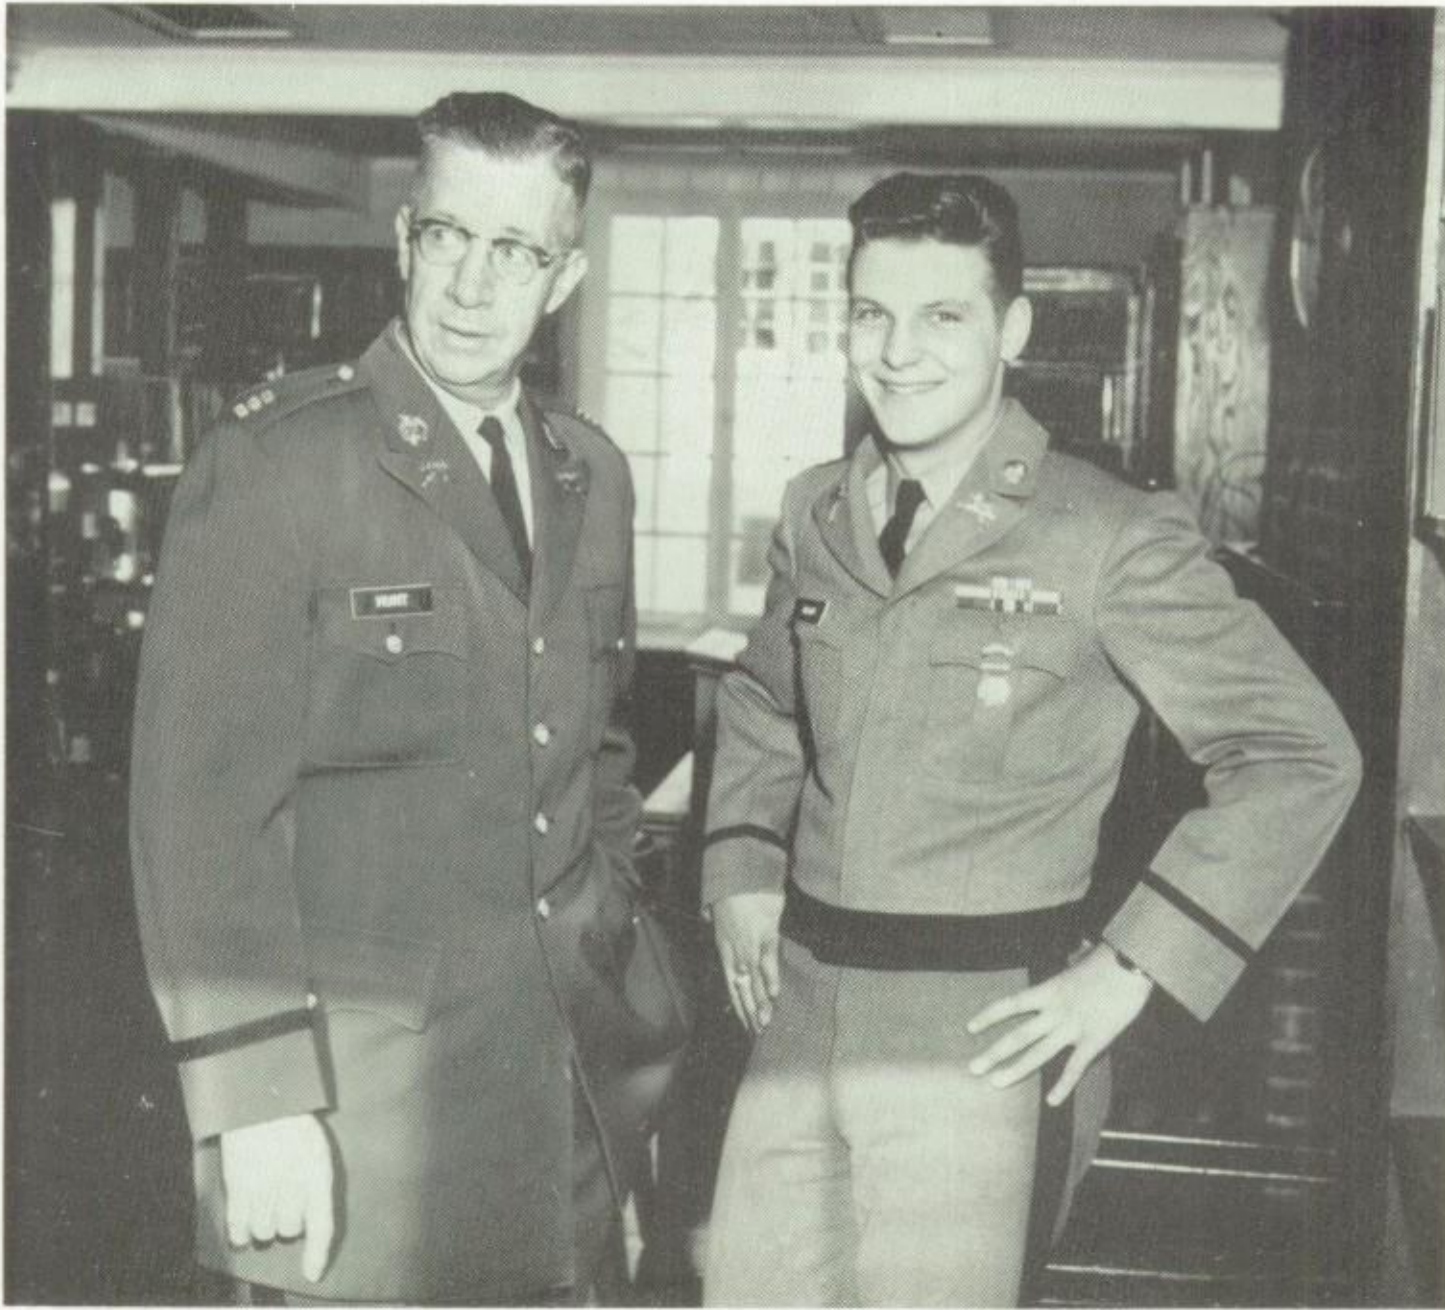

In the following pages of this *Skirmisher* you will see pictures of young men who have put much time and effort into the past four years and will take much more with them into life. We, the members of the Senior Class feel that Fork Union Military Academy has unlocked the doors of manhood for many young men who have come here trying to find the answers to their many questions. They have learned how to get along well with other young men and the ways in which a successful life is made. The *Skirmisher* cannot relate the ways that these young men have gained their knowledge, but it can bring back fond memories of many lasting friendships and the mixed emotions which all of us have felt during our years here at the Academy. Most of these emotions are hidden and will only be remembered when looking back through the pages of this priceless book. It is also impossible to tell the story of each individual pictured in this Yearbook, but we, the members of the *Skirmisher* Staff, pray that this book will do justice to every member of this year's excellent Corps. To Fork Union and its much admired, loved and respected Faculty, we the Senior Class bid a proud farewell and each of us hopes that God will bless you as he has us. We also want to express here a word of thanks to our parents and friends of the Corps of Cadets for your understanding, aid and efforts in our lust for knowledge.

Dedication

Through your personal and professional excellence, you have become an inseparable part of our beloved Fork Union. Because of you, Fork Union will always mean more to us for your having been identified with it. As teacher, coach, Counselor and friend, you have taught, inspired, guided and understood us. We, the Senior Class, Cadet Corps and Faculty inscribe with your name this record of our life at Fork Union in 1964, as a lasting mark of our deep respect and affection for you—*Captain John M. Hunt*, Professor of Higher Mathematics and Coach of Athletics.

CAPTAIN JOHN M. HUNT, B.A.

Graduate of Hampden-Sydney College

Graduate Work, William and Mary College, Davis and Elkins College, University of Virginia. Instructor of Higher Mathematics, Sponsor of Photography Club, Assistant Varsity Football Coach.

The Senior Class of 1964 will always be greatly indebted to the Faculty who have shown us the way when we were seeking knowledge. The members of the Faculty have dedicated their lives to the education of young men. They sacrifice many hours, many of them their own, to giving advice, a word of encouragement, and whenever necessary a word of reprimand. These men among men have made great successes of their lives, for the education of young men in this day is the most important career a person can ever hold. A few of the Faculty Officers hide their true feelings. They know that the discipline of the mind and body is essential in the future success of every cadet. The members of the Faculty do not hesitate to help any cadet with his personal problems or with any other problems that may arise. The Faculty have taught us to be patient, through their own patience; they have taught us to be understanding, through their understanding; and they have taught us to face life and its hardships through their examples. The members of the Senior Class cannot find adequate words to express our appreciation to these fine men, but we will remember these men and their influence on our lives forever. Our own achievements will acknowledge our Faculty's worth and we hope to make them proud of us. We place before our mentors a sincere statement of gratitude, thanking them once more for their efforts in the seemingly endless process of learning.

Senior Class

It has passed as quickly as it came, but, to the Seniors of Fork Union Military Academy, the academic session of 1963-'64 has been a year of our lives never to be forgotten. In this, our last year at Fork Union, there are feelings of happiness, relief, and sorrow. We remember our first days and how every thing seemed to go wrong. But then as the years passed by we made many friendships that will never end, although we will go our separate ways at the close of this school year. We, the members of the Senior Class of '64, owe a great deal to Fork Union Military Academy for the many opportunities that it has given us. This debt cannot be repaid in mere words, but only in the warm feelings in our hearts that will grow from year to year. Our lives would not have been complete, however, without an inordinate number of questions and guidance, but we have overcome these obstacles by using the determination of our era—the will to succeed. We have but scratched the surface of the knowledge that awaits us and we go forth prepared to meet the challenge. The members of this year's Skirmisher Staff hope that each Senior and underclassman will always have the best of luck in the future, and we pray that our paths may meet again.

SENIOR CLASS MOTTO:

Without Humor Success Is Failure

THE CIRCLE AND HATCHER HALL

NEW CADETS 1960-1961

On September 15, 1960, it all began with an extremely busy day that ended in a strange room with a flashlight beam in our faces. Our new environment seemed different from the one we pictured in the catalogue we all studied before our departure from home. Many new tasks confronted us from day to day. A locker was to be this way, a bed was made that way and an innumerable number of other tasks. Then slowly the routine started, and we knew what was expected of us. Drills, classes, inspections, and meal times all had to have a bugle call to be started. We soon wondered why there was no call by which to blow our noses in unison. By the time May rolled around, we were all saying how quickly the year had passed and how we wanted the summer to drag; however, toward the end of the summer we found ourselves paging through our annuals and somehow looking forward to a new year at Fork Union.

ONE MORE YEAR 1962-1963

To get into the old routine was not difficult at all our third year. Maybe a girl at home had most of our thoughts, but we were able to go about our daily duties in a perfunctory manner. Our holding some of the higher ranks in the corps enabled us to become more familiar with the school plant itself. Looking forward to weekend leaves in hopes to escape the gripping hands of the so called "Fork Union culture," we studied hard and retained our averages so we could go on more leaves. We all formulated by personal experience many different attitudes toward Fork Union, but in the overall picture, we knew that the school was helping us all to mature, some of us in different ways than others. Saying goodbye and good-luck to our senior buddies, we left for the summer thinking, "Could I actually be a senior?"

OLD CADETS 1961-1962

As old cadets commencing another nine months here at the Academy, we had responsibility given to us and how we made life unbearable for the wide-eyed new cadets who seemed so unintelligent to us. "Surely", we asked, "were we like that?" Of course the answer was, "NO". By the termination of our first month back at school, we started taking part in more activities around the school instead of remaining in our dark, smoke-filled rooms back in the barracks. Our new Commandant changed things around some and again we had to accustom ourselves to a new administration; however, under this new administration we had no more wall-to-wall conferences, but did have numerous heart-to-heart discussions in their place. The Chapel talks on "How to Succeed in College after Gaining Admittance" began to sink into our hard heads and we began building up our academic averages for the future day when we would want to gain admittance to college, and there again, some of us did not. As our second year drew to a rapid close we looked forward eagerly to our vacation, also to our next years at Fork Union with hopes that it would be more rewarding than the previous ones.

SENIORS, HURRAH! 1963-1964

This last year seemed the easiest to start, as we were responsible for most of the corps and had little time to worry about ourselves. Getting the new cadets (civilians) to function as old cadets was some job, and each of us used a little different approach to the problem. The old methods used on us when we were new cadets had long since been abolished, but we still believed that they were the most effective in reaching the desired results. Taking the more difficult subjects as seniors, we began seeing how college work would be, and some of us were worried, but a comforting thought was that college was a lot different from 'ole Fork Union. Looking back on our four years of high school we realize that all the fun and freedom of public school we have missed will not hinder our success in college and in life after college, but will help us in too many ways to mention. Saying Good-bye to all our friends we now thank you, Fork Union.

* The two named tied for top honors in each case when the vote was taken. Only members of the 1964 Senior Class were eligible for the *Hall of Fame* this year.

Academics are the basis for knowledge; extra-curricular activities are the foundation of a well-rounded person. Here at Fork Union there are many excellent opportunities in both of these areas. There are many organizations here at Fork Union this year in which any cadet may participate. Each of these clubs teaches its members how to work successfully with one another for a common goal or to improve the club as a whole. These organizations help and encourage each member to form and express his own ideas and opinions. The clubs range in a variety of subjects, covering religion, journalism, debating, to science, thus giving each cadet an opportunity to gain more knowledge in his favorite activity and giving him a chance to learn about any new

Organizations

field in which he shows interest. Each cadet should be a member of at least one club, for they help develop the inner feeling of success which comes from working with others. The clubs help each cadet in becoming a well-rounded person. Each one of the organizations has a Faculty adviser who is responsible for the direction of interests of each of its members. These members of the Faculty have worked with their organizations, the singular aim being the creation of interest and from this boys have been made men.

"Behind an able man there are always other able men."

Quill and Scroll

Lieutenant
WILLIAM JOHN LITTLE
President

The Quill and Scroll Honorary Journalism Society was organized in 1926 by a group of high school advisers for the purpose of encouraging individual achievement in journalistic endeavors. Membership is not open to everyone, and each year a few cadets are chosen for this honor. Membership is based on the following requirements: (1) A candidate must be at least a junior in class standing. (2) They must be in the upper third of their class in overall scholastic work. (3) Each candidate must have contributed to some phase of journalistic work in a superior manner. (4) They must be approved by the advisor. (5) They must be approved by the executive secretary. The Fork Union Chapter of the Quill and Scroll was organized in the school year of 1946 and 1947. The Quill and Scroll is one of the two international organizations of the Academy.

The Athenian Literary Society, throughout this its 53rd year, has been an organization striving for the advancement of speaking ability. Techniques have been explored, speech characteristics studied and developed in weekly meetings, and topics of interest to the entire group discussed. We have heard from firsthand accounts of trips abroad and of striking events. We listened to the readings of favorite poems and great speeches and we had some oratory we felt was good. Yet, perhaps, the most singularly interesting activity was debating, and we all put a great deal of work into it. Our chief goal has been to nourish the ability and instill the desire to be an exceptional and competent orator. We hope there will be as many good times and profitable experiences for the Society throughout its lifetime.

Ciceronian Literary Society

This Society is the older of the two literary societies on the campus, being founded in 1908. It was divided into two societies in 1911. The main purpose of the society is to develop better speaking habits and to develop an appreciation for the art of speaking. Every week the society has a program in which the members actively participate, by stressing the importance of debating, declamations, orations and the reading of poetry. These meetings provide the members with a chance to speak in front of a group. This work is done throughout the year and the final debate, at the end of the year, climaxes the cadets work.

The Junior Classical League is a national organization composed of local classical clubs in junior and senior high schools. 1963-64 marks the fourth year of the Fork Union Chapter. Presently there are eighty-five thousand members with the Fork Union Chapter contributing twenty-one to this number. The Junior Classical League is the largest and fastest growing classical organization in the world today. Completion of or participation in the Latin courses offered at each local school is the only requirement for membership. Once a student is admitted to the local club, he automatically becomes a member of the national organization and receives his pin and membership card. The highlights of the club's activities is the "Latin Week" celebrated in April. During this week the club offers a display in the library, participation in a chapel program, and generally advertises the merits of Latin and Roman civilization to the members of the corps. Also during the month of April the club sponsors selected members in the state wide Latin examination. At Commencement the club presents a Latin award key to the member who has shown the highest academic excellence in Latin and who has made the greatest contribution to the activities of the club. The fundamental purpose of the Junior Classical League is to encourage among young people an interest in an appreciation of the civilization, language, literature and art of ancient Greece and Rome, and to give them some understanding of the debt of our culture to that of Classical antiquity.

The Fork Union Chapter of the National Honor Society is made up of fourteen seniors and eleven juniors who are elected to membership on the basis of superiority in scholarship, service, leadership and character. The National Honor Society is comparable to Phi Beta Kappa of college level. Its purposes are to create an enthusiasm for scholarship, to promote worthy leadership, to stimulate a desire to render service, and to encourage the development of character. In addition to the cadets listed above, the Fork Union Chapter includes also a chapter council consisting of five members of the administration and faculty: Colonel H. M. Waldron, Major H. R. Kelly, and Captains, H. F. Reichenbach, J. M. Hunt, and E. H. Lacy. Seniors and juniors are recommended for membership by the chapter Council. The chapter holds regular meetings.

National Honor Society

Flying Club

Lieutenant
FRANK LANGFITT BREWSTER
President

The Flying Club of the Academy is a unit of young men interested in the field of aeronautics. The objectives of the Club are to stimulate civilian interest in the future development of our air power. Cadets are introduced to the fundamentals of aviation, communication, aerodynamics, and related subjects. There are very few men who are able to work in this field of aeronautics because there are so few such organizations. A large number of cadets have shown considerable ability in their field of interest. The cadets are allowed to follow their own line of interest in this club in order to allow a development in the field of aeronautics that might prove to be a lifelong hobby and also turn out to be profitable in later years. The Club makes sincere efforts to give its members an appreciation of aeronautics and what it means to our country. The Club meets each Wednesday evening at seven. We feel that the Flying Club provides a very suitable extra-curricular activity in the Academy Program. The entire Club wants to thank *Colonel* John Ayrault for his time and help devoted to this Club this year.

The Fork Union Military Academy Glee Club is composed of the members of the corps who love to sing. Numbering twenty-three members, it builds its program from the finest musical literature, both secular and religious. The Glee Club presents a number of concerts throughout the year, both at the Academy and out of town. It is hoped that the experience gained will stay with these young men for many years to come, and that the spirit of song will remain in their hearts.

Sports Club

Sergeant First Class
THOMAS MICHAEL SNOW
President

The Sports Club is in its thirteenth year under the direction of *Captain Clark*. The Club is one of the most popular extra-curricular activities at the Academy. The Club offers entertainment and instruction in the form of movies which are always enjoyed by all. Movies of baseball, football, and basketball are the most popular, but included also are minor sports like hockey, tennis, swimming, and also auto racing. These films shown to Cadets are of the top performance and excellent instruction by the great men and women of yesterday and today. Our hopes are that the Club will continue to carry on in the future as it has in the past.

The Dramatic Club is composed not only of aspiring thespians, but of many cadets who desire to know more about the stage, for the sake of better appreciation of this art. Through discussions, demonstrations, and workshops members are given experience in the many and varied phases of dramatics with emphasis upon casting, rehearsing, costuming and make-up, lighting, and providing for the necessary props and back-ground. Some effort is directed to the study and production of short plays, and at other times important phases of modes of expression before an audience are studied and expressed. The shows which are produced develop an appreciation of all that goes into the production of a show and provide firsthand information about that which is good in the art of the stage. We started off the year in grand style by going to Richmond, Virginia, to see the production of "The King and I" at The Virginia Museum Theater. We also plan other trips, one of which, is to the Virginia College Drama Festival. Emphasis this year was on providing more opportunities for the Club's members to observe the theater in action. For those who love the stage, the work involved becomes not arduous but exciting and rewarding.

Dramatics Club

Science Club

Sergeant First Class
RICHARD DOUGLAS MEADE
President

Our attentions were directed toward a historical retrospect of astronomy and its implications with respect to the humanities and the modern physical sciences. In our club, we investigate the nature of scientific research through discussion, projects, and experiments. It is a desired outcome of our club that more questions are evoked than are answered, thus encouraging our members to search for the answers. The Science Club is composed of cadets who are interested in scientific and related subjects. Our club, through experiments and discussions, tries to give its members opportunities to see, understand, and appreciate better that with which we are not familiar or which we casually take for granted. The club desires to keep alive and help the interest of Cadets who seek knowledge in a scientific world.

In its fifth year the Hobby Club continued with the purpose of enabling the members to pursue their favorite hobby or interest and share it with others, learn about other hobbies, and gain experience in self-expression. Travel and educational films are viewed in the Social Center Building once a week by the club to stimulate interest in people, places, and customs throughout the world. The Hobby Club sponsors several activities throughout the school year such as a traveling photo salon, a display of hobbies participated in by interested members of the corps of cadets, and now plans are being completed for a model contest. This year emphasis was placed on the construction of models either as a separate or as a joint project to be put on display in the library.

Hobby Club

Cadet Christian Union

Sergeant First Class
GEORGE LEOPOLD WOLSKI
President

The Cadet Christian Union is designed to serve as a practical and useful way through which a wholesome Christian atmosphere may be exhibited and encouraged on our campus. Meetings for fellowship and discussion of religious topics are held each Wednesday evening at six-thirty. The C.C.U. also serves as a link between the cadets and the local churches. Similar organizations are active in many colleges and schools and serve as the medium by which religious activities are made available to our students. During its fourteenth year as an active club at the Academy, the C.C.U. is under the direction of *Colonel George C. Patterson*.

The Guidance Club makes available to its members and the Cadet Corps for guidance purposes, educational, and social information. The objectives in presenting educational information are these: understanding the requirements for admission to the colleges which interest the cadets, discovering the availability of special training opportunities and the availability of scholarships for college, and developing good study habits. The presentation of occupational information has these objectives: to study the general areas of work and to study specific vocational and professional fields, to develop tentative plans for vocational or professional preparation upon graduating from F.U.M.A., and learn to locate and use reliable sources of occupational information. The objectives in presenting social information are as follows: to aid the members in achieving a better understanding of themselves and a more mature relation with other people, to become more adept in the social graces, to appreciate the wise use of leisure time, to gain a better understanding of civic responsibility, and to foster the continued growth of ethical standards by which to judge personal conduct. The Club seeks to accomplish these objectives by using films, by members independently studying available materials, by having group discussion led by members of the Club, by the sponsor and other staff members, and by encouraging private conferences with the sponsor and other staff members. The Guidance Club has accumulated a considerable amount of materials related to the above objectives. These materials have been placed in the Retan Library and are available to all cadets as well as members of the Club.

Music Appreciation Club

Sergeant First Class
JAMES STANLEY JONES, IV
President

The Music Appreciation Club here at Fork Union is composed of cadets interested in a common theme—music. These cadets are not interested so much in the listening quality of the music, but rather in the finer points, using the old masters as a comparative standard of criticism and appreciation. The location of the composition of the music studied ranges throughout the world, taking into consideration the fine music of all nations. The wide range was decided on because of the differences in the people in their environments. The background of the people in their environments, their spiritual beliefs, hopes, and joys are what make music what it is today. The study of music is not entirely devoted to classical music, but also takes into consideration folk songs and the ultra-modern contemporary styles. Although so much of our modern music is here today and gone tomorrow, it expresses the feeling of modern people, influenced by today's human tragedies and joys the world over.

The Chess Club, an organization which used to be very popular on our campus, is now active again. We feel that chess is a wholesome sport, as well as an educational game. This year, guiding the club, is *Captain* Henry T. Pulliam. The club meets every Monday night, and their main ideals are to appreciate the art of the game. There was a rather large turnout for membership this year and undoubtedly this number will rise in years to come.

Radio Club

Sergeant First Class
MORRIS TURNER JEFFREYS
President

The Radio Club is in its second year of active operation. The club is sponsored by *Captain C. F. McDermott*, one of our teachers of science here at Fork Union. The Radio Club has two areas of operation; the school radio station and the school has an amateur electronics shop. The radio station is operated to bring the Cadets Corps the latest popular music, special announcements, and other various programs that are of interest to the cadets. The short wave station, which is located in the tower of the Chapel, is run like any other station of its kind. The members of the club are able to acquire an operators license after passing a standard government test. The club hopes to continue to serve the cadets and bring a better knowledge to its members of the requirements needed to operate radio equipment of most any kind.

Weight Training Club

The Weight Training Club is in its second year of activity. As the name implies, the Weight Training Club was founded for the purpose of creating interest in scientific body building and training. The club's twenty-eight members is enough evidence of the club's popularity. At their weekly meetings, the members coordinate their training schedules. During the week individual members take full advantage of the school's "Weight Room," which is open to all cadets.

Folk Music Club

Lieutenant
JAMES M. BROWN
President

The Folk Music Club is the newest club on campus. It was started by a group of cadets who have an interest in folk music. At the club's weekly meetings members listen to the latest popular folk songs and on occasions sing their own. At various intervals throughout the school year the club gives a "Hootenanny" which always proves a success. Although this is the club's first year, it has done an excellent job in reviving the interest in various folk songs. We hope this is their first of many good years as a campus society.

This is the first Photography Club Fork Union has had in four years. The last club had equipment that belonged to each individual member and also a crudely improvised darkroom. This years' club has equipment such as a room equipped with a sink, tables and other developing equipment. The aim of the club is to give cadets an opportunity to develop the pictures they have taken. The darkroom provided members with hours of fun and experience. *Captain* Hunt is the Sponsor of the club and has provided a great deal of aid in getting the club reorganized.

Military training is becoming more and more necessary in the world situation as it is today. Military is an integral part of the cadet life at Fork Union. Since Fork Union Military Academy is one of the top Honor Schools in the nation, we have a right to be proud as members of this excellent Corps. This could not be possible without the able assistance of the dedicated men who are always willing to give a helping hand with the problems that never fail to arise. These men have been stationed here by the Department of the Army to give qualified R.O.T.C. instruction in all phases of military life. They have taught us the importance of our freedom and how to

Military

BATTALION STAFF

best defend it when it is challenged. They have taught us self discipline, which is important throughout life. Our military training here, both in discipline and education is one of the more immediate means of securing our freedom, which is a God given right. We, the members of the Class of '64, wish to thank these men for their help and guidance throughout our stay here at the Academy.

"To be prepared for war is one of the most effectual means of preserving peace."

MST = 1

The first year of Military, know as MST 1 (*Military Schools Training*), is required of all cadets entering Fork Union who have had no prior military schooling, provided they meet the eligibility requirements. *Master Sergeant Irvine O. Goodwin, Staff Sergeant Darel P. Spencer and Sergeant Fred Molter* serve as instructors. The first-year cadet quickly adjusts to a military life; finds for himself a place in the corps, and if he applies himself, becomes a Private First Class or higher by mid-year. Military subjects included in MST 1 are: individual equipment, courtesies, customs, hygiene, first aid, weapons, atomic warfare, marksmanship, and tactics. The year of instruction is climaxed by a "Government Inspection" held early in the spring of each school year.

MST 2 (*Military School Training*) is taught by *Master Sergeant Jack T. Hollifield* and *Sergeant First Class Carroll E. Bayer*. The MST 2 course is more detailed in the application of principles and techniques and emphasizes "Learning by Doing". In this year of military instruction the cadet learns to operate US Army field radios and telephones in Communications; he receives classes in Nuclear Warfare, weapons and Achievements and Traditions of the US Army taught by MST 4 Cadets. He also studies marksmanship, field sanitation, and tactics. The Cadets who take this course are in line for key non-commissioned officer positions within the Corps. They work very hard in order to earn for themselves a place of importance in campus life.

MST = 2

MST = 3

MST 3 is conducted under the leadership and guidance of *Captain Robert M. Wiser*. Using the foundation established in military science during MST 1 and MST 2 the cadet continues more advanced training during MST 3. He receives principles of leadership, map reading and compass, 106 mm Recoilless Rifle, 81mm Mortar, a resume of supporting weapons, new developments in the army, small unit tactics and rifle marksmanship. In addition to the above subjects the MST 3 cadet also participates in subjects presented to all MST classes, such as drill and command, ceremonies and inspections. Based on experience, MST training and leadership ability, most MST 3 cadets hold non-commissioned officer rank within the Corps. A few of the most out-standing cadets are Commissioned Officers. The cadet, after finishing this course is able to effectively command a platoon or company in the Cadet Corps.

MST 4 is the senior class of military instruction presented at Fork Union Military Academy, and its enrollment consist of fourth-year cadets that have completed MST 1 through 3. *Major Paul A. Roach*, Professor of Military Science, is the instructor for this course. The subjects presented in this year of military training are an extension of what has been taught in preceding years, such as marksmanship and map reading. In addition a course in military teaching methods is conducted which prepares the cadet to give classroom instruction. Upon completion of formal instruction, each cadet prepares a lesson plan, based on materials to be presented to MST 1 and MST 2 Cadets, rehearses it many times and gives the instruction to the MST 1 or MST 2 cadets. This presentation of instruction by the cadets is one of the high points of the year and is well received by the first and second-year students. Successful completion of the four years of military instruction presented at this academy entitles graduating cadets to consideration for appointment credits in the advanced course of the Reserve Officers Training Corps of the college, where application is made.

Retan Rifles

Membership in the Retan Rifles, the elite marching organization of the Cadet Corps, is open to all cadets who show an interest and proficiency in drill. A distinctive shoulder patch, helmet, shoulder cord, and the U.S. Army '03 rifle readily identifies a cadet as a member of the Retan Rifles. During this school year the Retan Rifles participated in the Tobacco Festival Parade in Richmond, the Dogwood Festival Parade in Charlottesville, the Veterans Day Parade in Scottsville, the Christmas Parade in Farmville, and the Azalea Festival, Norfolk, Virginia, provided half time activities for home football games, and presented an exhibition drill for the annual Government Inspection Team. This year the platoon is commanded by *Cadet Lieutenant* James M. Brown and has been sponsored by the United States Army ROTC Detachment.

Captain

The rifle matches listed below were fired during the 1963-'64 school year by the Fork Union Military Academy Rifle Team. Of those scheduled, two types of matches were fired. A postal match, when each team fires on its own range and submits its scores, and a shoulder to shoulder match are the two types of matches fired. Shoulder to shoulder matches are fired away as well as at home. The rifle team is the only sport that participates during the entire year.

The Officer's Club is composed of all sabre rating cadets with the rank of 1st Sergeant on up in the Corps. The Corps of Cadets is organized into a Battalion with the Lieutenant Colonel as Battalion Commander. Each cadet officer has a definite assignment in his respective unit and is responsible for military proficiency, as well as the conduct of all those cadets assigned to his unit. This year the Officers' Club has as faculty adviser *Colonel C. B. Henderson*, who is the Commandant of the Corps of Cadets. He has aided the club a great deal by his supervision and direction.

The Cadet Non-Commissioned Officers are all the cadets with the rank of corporal through master sergeant. Each has a definite assignment in his respective unit; therefore, his responsibilities are many. We are very proud of the high standards maintained during the year. Our N.C.O. group has been well trained by our R.O.T.C. Officers. Out of this group of cadet N.C.O.'s will come the Cadet Officers for the following year.

The N. C. O.'s Club

*Captain R. L. Pulliam
Assistant Commandant and
Faculty Adviser, to N.C.O.'s*

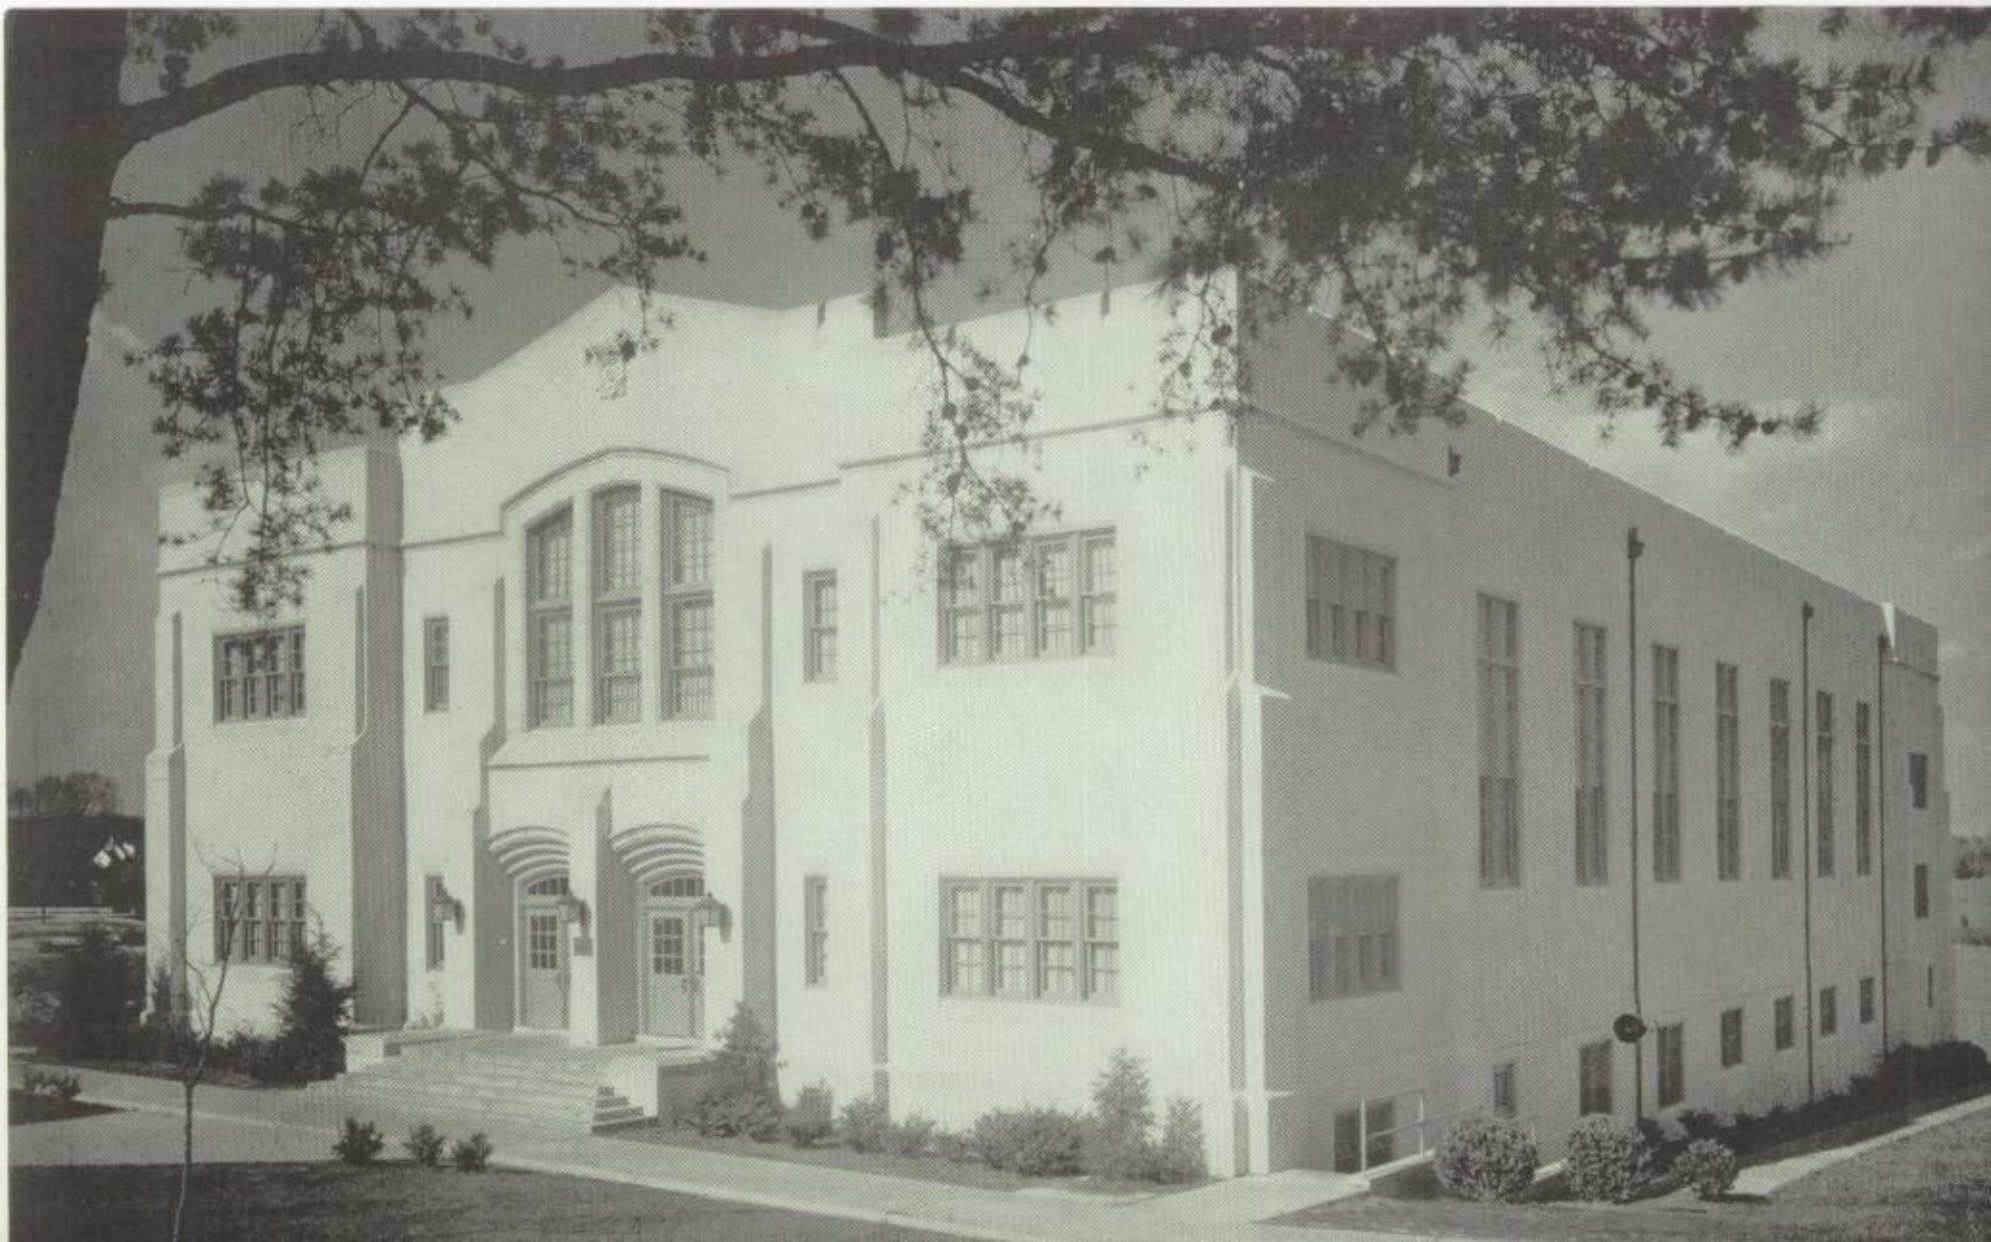

Sports

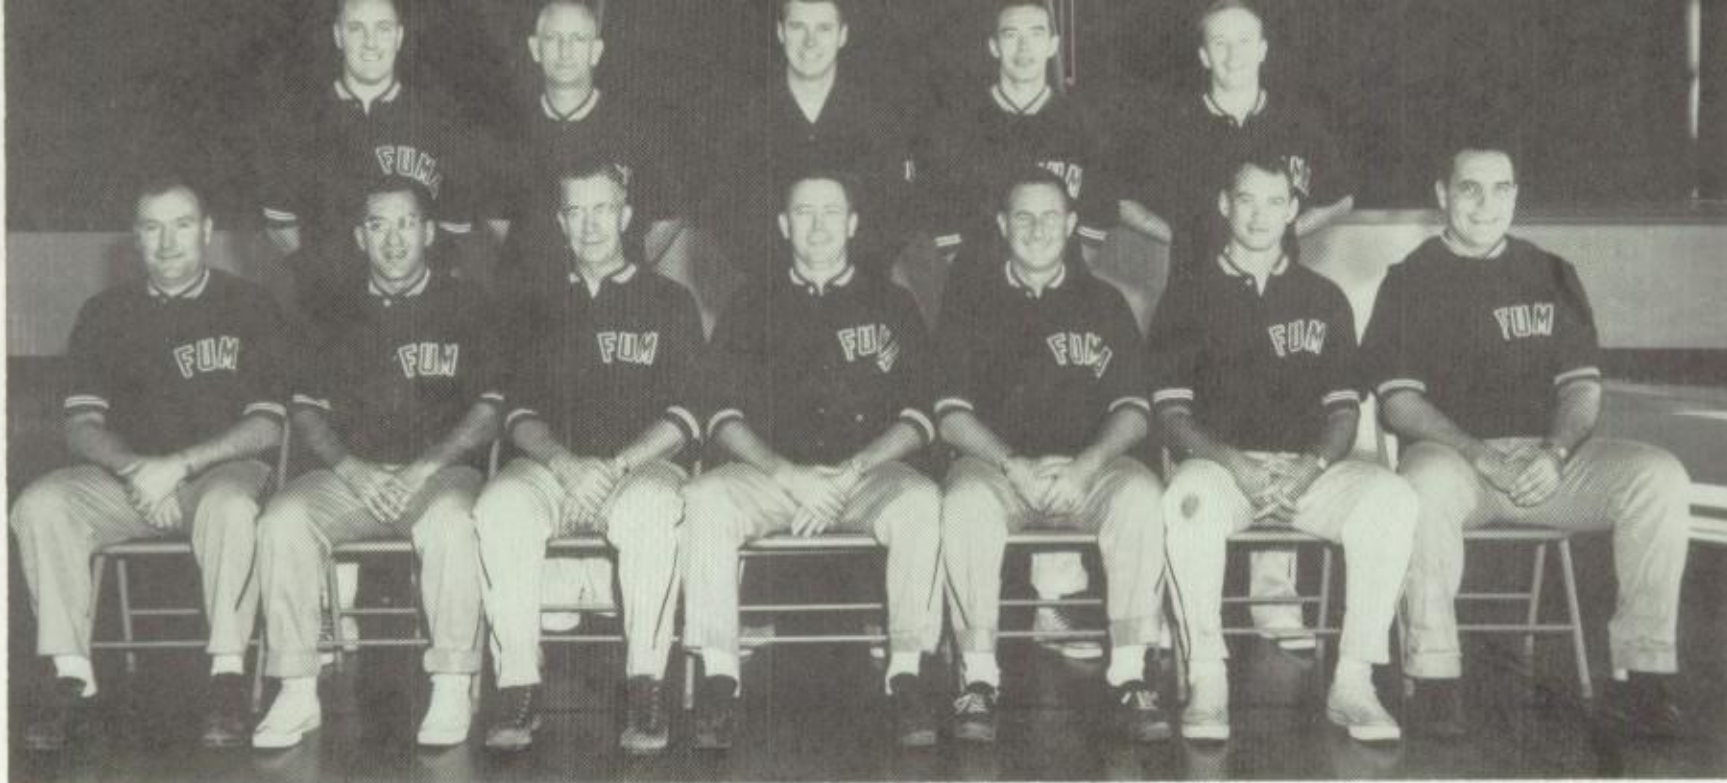

The Coaching Staff here at Fork Union is a superior one. These men love sports and they enjoy teaching how they are played in the proper fashion. They use teamwork as a byword at all the practice sessions, for they know a team cannot succeed without working together. At Fork Union the philosophy that a strong body goes with a strong mind is never neglected, for each cadet must have the proper academic grades before he is eligible to play in any sport. There are several different sports in which a cadet may participate here at the Academy, but he must be willing to work because work is necessary for the success of any team. Victory is of great importance in building the pride of the cadet corps, but when one loses he must display sportsmanship.

*"When the great scorer comes to call,
it is not whether you have won or lost,
but how you played the game."*

6 HAMPDEN-SYDNEY JUNIOR VARSITY vs. F.U.M.A. 28

The opening game of the season for our *Big Blue Team* was a thriller. Played on our own field under a clear hot September sky, Hampden-Sydney received Fork Union's kickoff but failed to gain enough yardage for the first down. Fuma's *Walt Kurzeja* threw a 42 yard pass down the middle to *Dan Shields* who ran for our first touchdown. *Dave Langford* kicked the extra point and made it 7-0. *Tom Snaith* receiving a punt ran 52 yards after picking up downfield blockers. Hampden-Sydney then passed, but FUMA's *Kent Craft* intercepted and FUMA had the ball on about the 30 yard line. *Walt Kurzeja* threw a 25 yard pass to *Dan Shields* who hit the end zone.

Dave Langford kicked the extra point and before the half, FUMA got one more touchdown when *Kent Craft* again intercepted and the Devils went on for one more touchdown making the score at the half 21-0. *Miller Arritt*, receiving Hampden-Sydney's kickoff ran 35 yards before being brought down. *Al Tretter* of FUMA intercepted a Hampden-Sydney pass and went 45 yards for a touchdown. Kicking the extra point *Dave Langford* made the score 28-0. Hampden-Sydney's *John Morrison*, ran 5 yards to the end zone for Hampden-Sydney but failed to pick up the extra point.

6

AUGUSTA MILITARY ACADEMY vs. F.U.M.A.

12

Our second game of the season was away from home on the 5th of October, played at Fort Defiance under a beautiful clear blue and sunny afternoon sky. Fork Union made the first score of the game early in the first quarter on an 18-yard run over right tackle by halfback *Kent Craft*. The conversion attempt was no good. A 52-yard pass from *Walter Kurzeja* to *Dan Shields* on the first play from scrimmage accounted for most of the yardage in this game. Augusta's *Don Harris*

tied the game with an 80-yard sprint with an intercepted pass in the waning moments of the first half to put the score at halftime 6-6. The decisive score came midway through the second half when *Tom Smith* found an opening in the right side of the line and ran 35-yards to score. Again the extra point was missed giving Fork Union a 12-6 victory. To date the *Big Blue Team* has won 2 and lost none of their games.

12

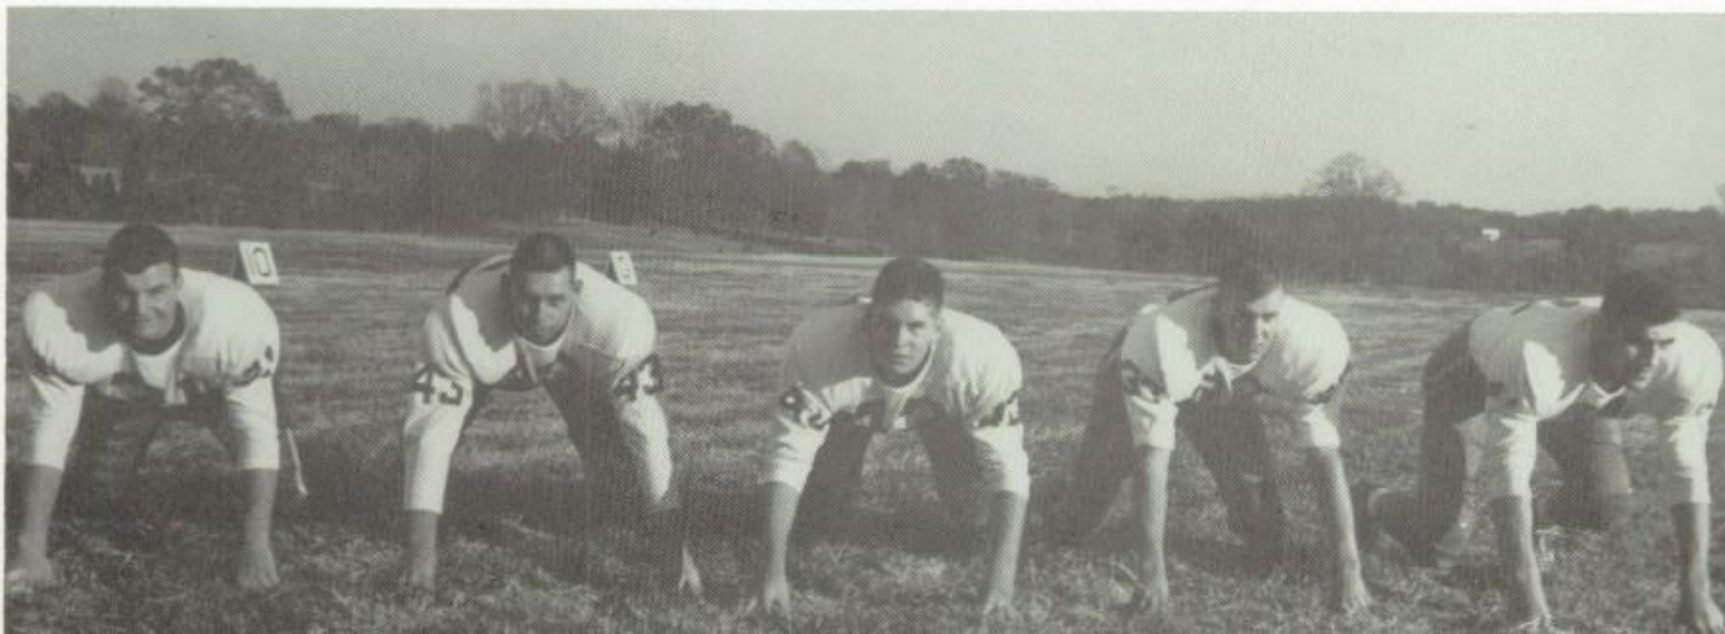

HARGRAVE MILITARY ACADEMY vs. F.U.M.A.

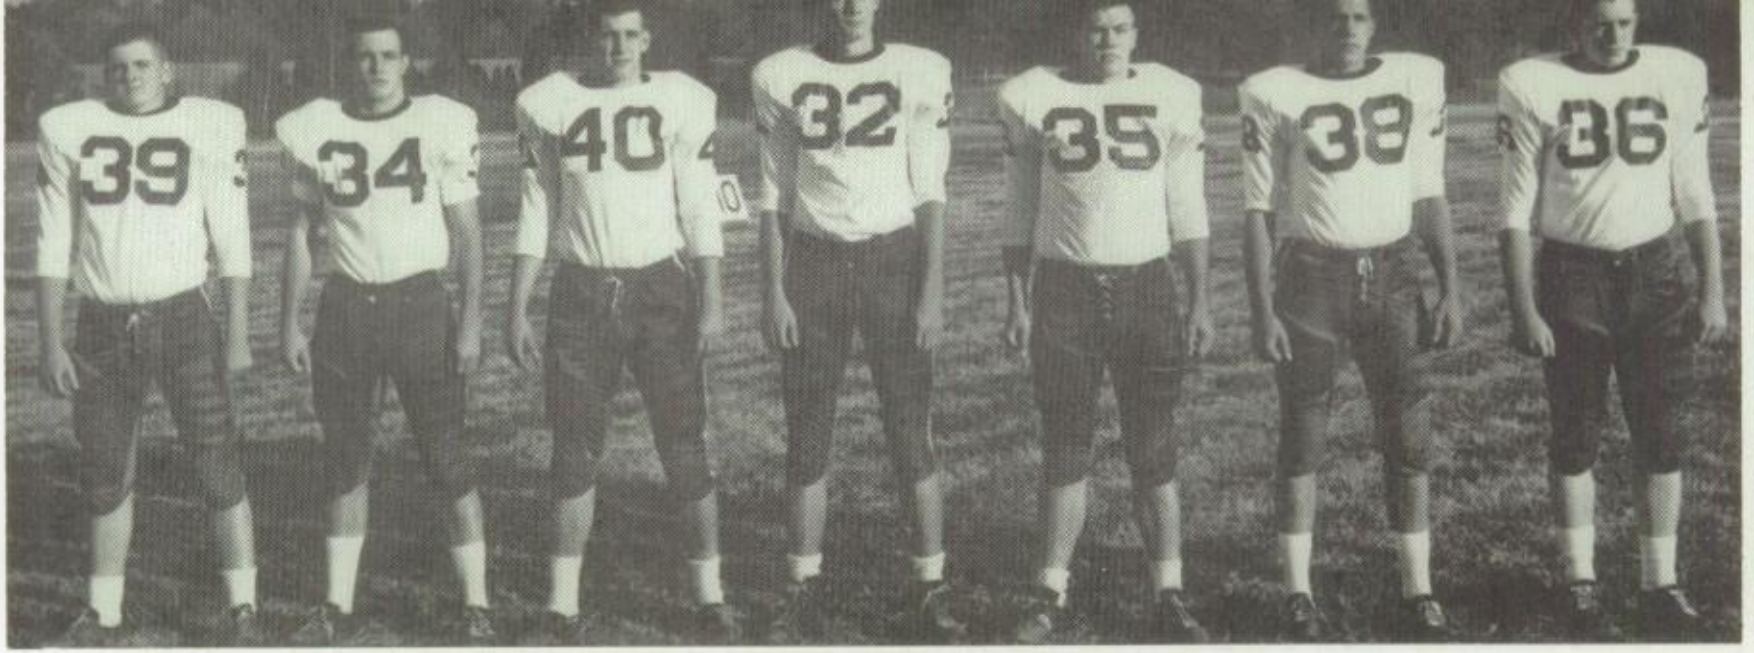

20

On Saturday, October 12, 1963, the Fork Union "Blue Devils" made it three victories with a hard fought 20-12 win over a very stubborn, but over confident Hargrave Military Academy team. Filled with the vast knowledge and determination instilled in them by FUMA's fine coaching staff, our *Blue Devils* lost no time in hitting pay dirt. The high geared offense of FUMA added up a total of 431 yards in 65 plays spearheaded by quarterback *Walter Kurzeja* and half-back *Tom Snaith*. *Kurzeja* ripped off sizable gains including a first quarter touchdown on a 60-yard end run. *Kurzeja* completed a spectacular 42-yard touch-

down pass to flashy left half-back *Kent Craft* in the second quarter. Near the end of the first half Hargrave scored their first touchdown on a 48-yard touchdown pass. Leading 13-6 Fork Union stayed primarily on the ground and hit pay dirt in the third quarter on a 25-yard run off tackle, a beautiful run by *Tom Snaith*. Hargrave scored their second and last touchdown in the third quarter on a 36-yard touchdown pass. FUMA's fine defense must be given credit for holding our 20-12 lead in the final quarter. Our record so far is 3 wins and no losses and 2-0 in the military league standing.

GUARDS on F.U.M.A. TEAMS: 'Tony' Agostenelli, 'Wayne' Gaskill, 'Willy' Cropp, 'Bob' Bosler, 'Dom' Dellaccio.

Ends On F.U.M.A. Teams: 'Paul' Fichter, 'Dan' Shields, 'Guy' Lynch, 'Kent' Snead, 'Miller' Arritt, 'Mac' Harris, 'Tom' Rodgers.

9 GREENBRIER MILITARY SCHOOL vs. F.U.M.A. 15

On Saturday, October 19th, our undefeated *Blue Devils* took over first place in the Virginia League race with a 15-9 win over Greenbrier Military School at Lewisburg, West Virginia. It was the fourth win of the season for FUMA and third in league play. It was Greenbrier's first loss in three league games and second in four overall starts. Our *Blue Devils* went in front 6-0 in the first quarter on a 35-yard run by *Rick Olson*, the team's big fullback from Minnesota. *Dave Langford* kicked the extra point. Thanks to the fine defensive playing by *Bill Roberts*, *Dave Langford*, *Miller Arritt*, *Don Dellaccio*, and the rest of our stubborn defensive team, Green-

brier did not hit pay dirt until the third quarter when Greenbrier's *Dick Luzzi* scored their first and only touchdown on a 13-yard run. Later in the fourth quarter Greenbrier kicked a successful 20-yard field goal to put G.M.S. ahead 9-7. With six minutes to go in the game, *Walt Kurzeja* started the team rolling and in six plays our *Blue Devils* scored their second touchdown on a fine 10-yard pass from *Walt Kurzeja* to FUMA's left halfback, *Kent Craft*. FUMA made the conversion when *Walt Kurzeja* threw a pass to our fine left end, *Tommy Rogers*. We are proud of you fellows, let's go all the way!

12 FREDERICK MILITARY ACADEMY vs. F.U.M.A. 0

On Saturday, October the 26th, our undefeated Big Blue Devils played its second non-league game of the '63 season against an undefeated Frederick Military Academy of Portsmouth, Virginia. Fork Union had trouble starting a drive and in the first minutes of the first quarter, our *Blue Devils* fumbled the ball on the first play from scrimmage on a handoff and *Dennis Koslowski*, a 6-1, 185 pound end, rushed in to grab the ball in the end zone for the touchdown. The conversion failed. Midway through the second period Frederick took the ball on downs on its own 10-yard line. Marching down the field on the hard running of *Harry Greene* and *Calvin Zongolowitz* the *Cubs* moved to our 20 where

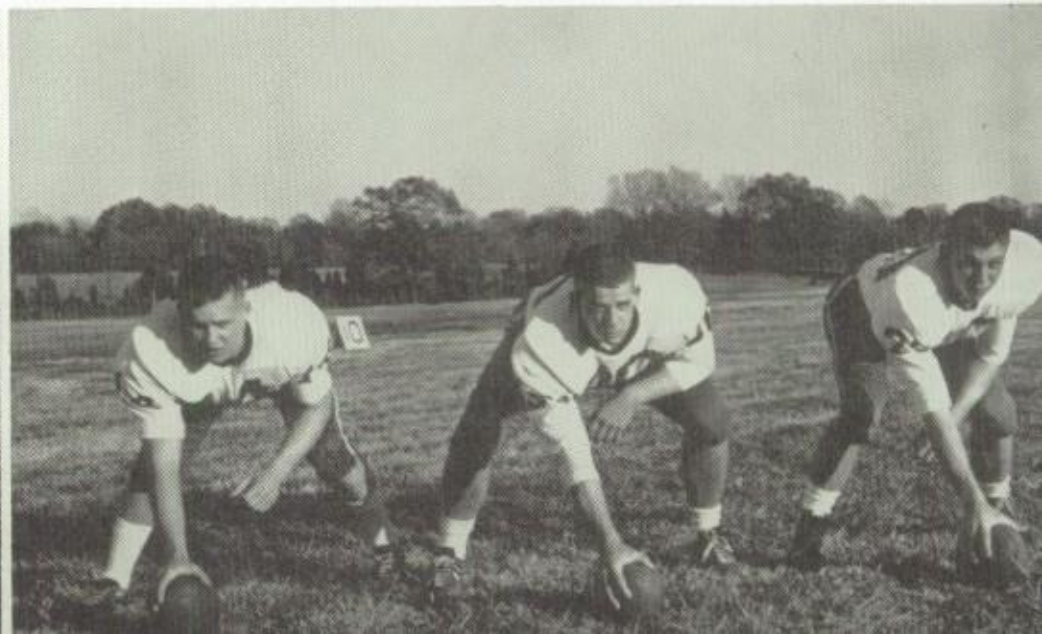

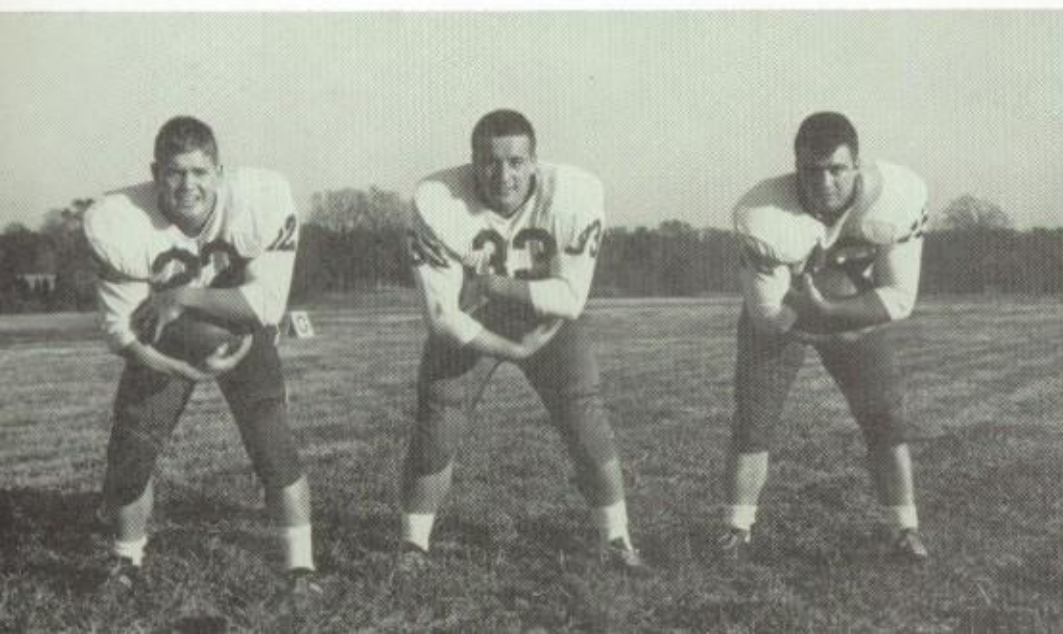

their quarterback *Al Woodall* flipped a pass to end *Henry McKay* for a touchdown. The conversion failed and at half time the score remained 12-0. During the second half of the game our stubborn defense held the Frederick team and prevented them from scoring any further. *Don Dellaccio* played an excellent defensive game and even though our team did not get on the scoreboard, *Wayne Gaskill* and many of our other fine linemen played a very good offensive game. Neither team scored in the second half, and when the whistle blew, the final score was Frederick Military Academy 12 and F.U.M.A. 0. So far our fine team has accumulated a 4-1 record.

FULLBACKS on F.U.M.A. TEAMS

'Ken' Bransford, 'Rick' Olson, 'Cecil' Blankenship.

CENTERS on F.U.M.A. TEAMS

'David' Wile, 'Bill' Roberts, 'Ed' Schray.

2nd Team Line: 'Miller' Arritt, 'Tony' Agostenelli, 'John' Johnson, 'Ed' Schray, 'Bartlett' Dougherty, 'Willy' Cropp, 'Tom' Rodgers. Backfield: Coach 'Bob' Buffman, 'Sam' Crowley, 'Joel' Dobrzynski, 'Ken' Bransford, 'Al' Tretter, Coach, 'Bill' Blair.

0

E. C. GLASS HIGH SCHOOL vs. F.U.M.A.

20

On Saturday November 2, 1963 our Blue Devils invaded the town of Lynchburg, Virginia, to play E.C. Glass High School after the Friday night game under the lights was called due to rain. Fork Union won the toss and elected to kick off to the Hilltoppers. Our fine F.U.M.A. defense held the Hilltoppers to a minus one yard rushing and a minus one passing. Toward the end of the first quarter FUMA scored its first touchdown of the game with a two yard plunge by fullback *Rick Olson*. The extra point failed. Later in the third quarter, our Blue Devil quarterback, *Walt Kurzeja* threw a roll-out pass to right end *Danny*

Shields good for 30 yards and Fork Union's second touchdown. *Dave Langford* kicked the extra point. With approximately six minutes left our right halfback, *Tom Snaith*, ran a sweep around the left end and thanks to some excellent down-field blocks, enabled *Tom* to go the distance of 70 yards for Fork Union's third and last touchdown. *Dave Langford* again kicked the extra point. The final score was Fork Union 20 and E.C. Glass High School 0. Our record now stands 5-1. Our Military League Record is tied with Staunton with a 3-0 record.

6

COLUMBIAN PREP vs. F.U.M.A.

26

On November 16, 1963, Columbian Preparatory School, from Washington, D. C. invaded the quiet town of Fork Union for the purpose of taking on the "Big Blue Devils" of the Academy. Spirits were high on both teams and the weather was perfect for football. Our "Blue Devils" kicked off to Columbian Prep. at 2:15 P.M. and from then on F.U.M.A. dominated the entire game. Columbian Prep had trouble getting a drive started, and punted the ball to Fork Union. The Big Blue Team wasted no time in moving the ball. On our 23 yard line, *Tom Snaith* ran a sweep around left end for a spectacular 77 yard run. Later in the second quarter *Tom Snaith* exhibited another show of both power and speed

when he went smashing through Columbian Prep's Big Team for a 4 yard run and another touchdown. In the same quarter, *Walt Kurzeja*, our quarterback, ran a quarterback sweep around left end for a 67 yard touchdown. Then in the third quarter our fine left halfback, *Kent Craft*, ran swiftly past all the secondary men for a 66 yard touchdown. Columbian Prep scored their lone touchdown on a 6 yard run by *Kevin Faughnan*. *Dave Langford* kicked two extra points. Much credit must go to *Dom Dellaccio* for his fine blocking which cleared the path for our first two touchdowns. The final score was 26-6. We now have a 6-1 overall record and 3-0 record in the Military League.

Halfbacks of F.U.M.A. Teams: 'Ed' Kiker, 'Al' Tretter, 'Sam' Crowley, 'Kent' Craft, 'Bill' Wallace, 'Tom' Snaith.

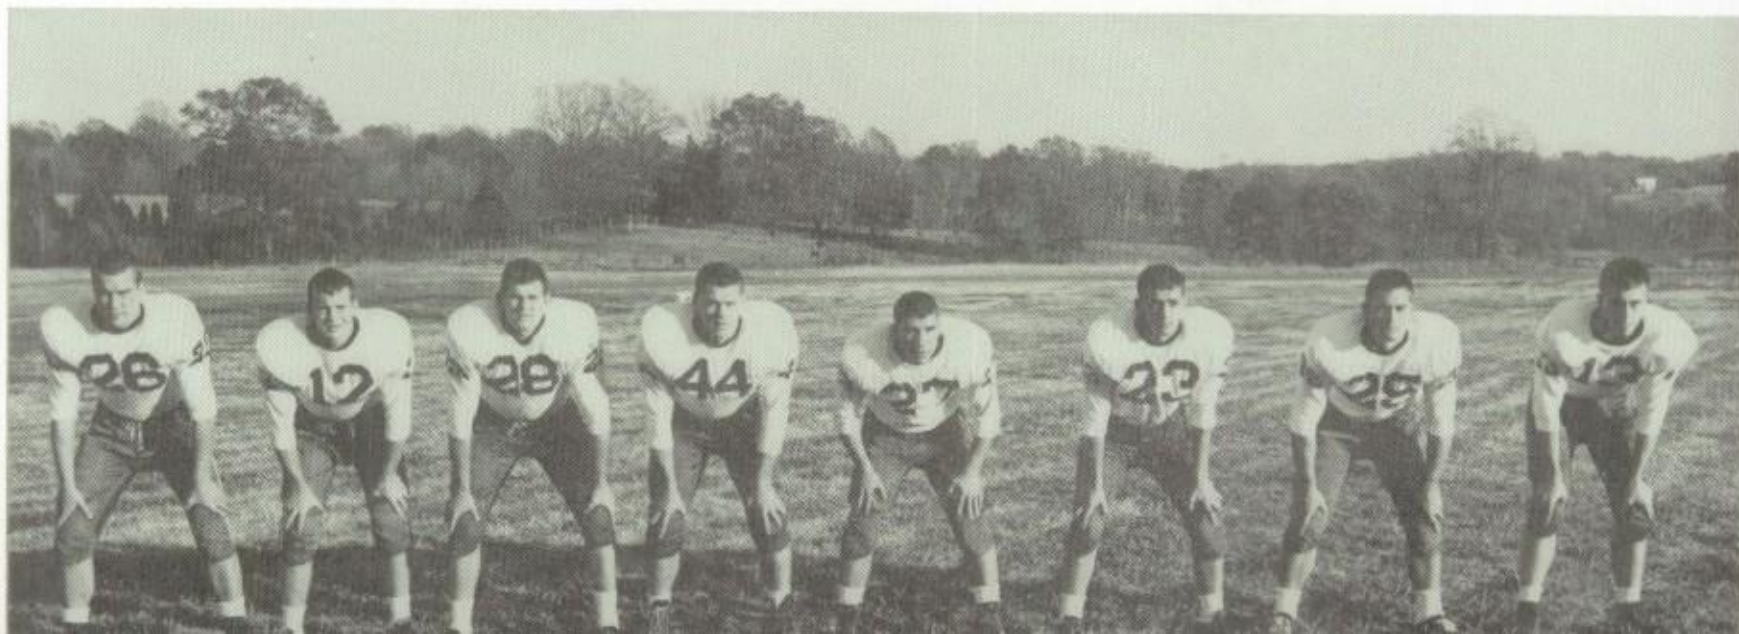

3rd Team Line: 'Bill' Reynolds, 'Paul' Fichter, 'Guy' Lynch, 'Allan' Howell, 'David' Wile, 'Bill' Lindsey, 'Robert' Bosler, 'Bill' Humphrey, 'Kent' Snead. Backfield: Coach 'Red' Pulliam, 'Ed' Kiker, 'David' Yedinak, 'Bill' Wallace, 'Cecil' Blankenship, Coach 'John' Hunt.

On Thursday, November 28th 1963, Fork Union invaded the home grounds of Staunton Military Academy, the former State Military League Champs. Our "Blue Devils" knew that the victor of this game determined the State Champions for 1963, and with this in mind, they possessed a fine determination, which helped them throughout the entire game. Fork Union opened the game by kicking off to S.M.A. *Miller Arritt*, who just recently had been moved from defensive end to middle guard, helped bottle up Stauntons' running attack and as a result S.M.A. didn't score until late in the third quarter. In the second quarter halfback *Kent Craft* took a S.M.A. punt in mid-field and ran it 20 yards before a S.M.A. player tackled him. On the five yard line of S.M.A., *Kent Craft* slanted off his right tackle and broke through for F.U.M.A.'s first touchdown of the game, thus ending a drive of 33 yards. F.U.M.A. kicked to S.M.A. and again our strong defensive line held S.M.A. and the "Hilltoppers" were forced to punt once again. *Tom Snaith* caught the punt and returned it 40 yards on a fine run. Minutes later F.U.M.A. scored its second touchdown of the second quarter, when halfback *Tom Snaith* carried the ball around left end on a double reverse for 29 yards and a T.D. End *Danny Shields* and tackle *Dom Dellaccio* teamed together and dropped the S.M.A. quarterback, *Jim Mollohan*, for an 18 yard loss. In the third quarter Staunton's quar-

terback, *Jim Mollohan* threw a pass to halfback *Joe Hamon* and *Hamon* raced 56 yards with the ball before *Tom Snaith* brought him down from behind near the five yard line of Fork Union. The following play defensive halfback, *Kent Craft* intercepted a S.M.A. pass but the interception was nullified because of pass interference called on *Craft*.

S.M.A.'s halfback *Joe Hamon* scored from the F.U.M.A. one yard line for S.M.A.'s first and only touchdown of the game. Staunton's extra point attempt was good and the score was F.U.M.A. 13-S.M.A. 7. In the fourth quarter our "Blue Devils" quarterback *Walt Kurzeja* tossed a seven yard pass to end *Mac Harris*, who lunged for the ball and fell into the end zone for Fork Union's third touchdown of the afternoon, capping a drive of 51 yards. Later in the fourth quarter, *Al Tretter* ran back a S.M.A. punt a distance of 29 yards which triggered a 38 yard march for the final score, quarterback *Walt Kurzeja* running nine yards for the T.D. Before the game had ended, Fork Union had rolled up a total of 319 yards rushing, while holding Staunton to a total of seven yards rushing. Our excellent "Blue Devil" team finished the season with an overall record of seven wins and only one loss, and four wins and no losses in the Virginia Military League. Congratulations to both our fine coaching staff and our fine players on the team this year.

Linemen of F.U.M.A. Teams: 'Allan' Howell, 'Bill' Humphrey, 'John' Johnson, 'David' Langford, 'Mike' LaSelva, 'Bartlett' Dougherty, 'Bill' Lindsey, 'Bill' Reynolds.

Junior Varsity Football

6 AUGUSTA MILITARY ACADEMY J.V. vs. F.U.M.A. J.V. 6

In the first half of the game much to the surprise of all, Augusta showed little resistance against our unpracticed team. *Ray Crescenzo* breaking through A.M.A.'s line in the first half scored the first touchdown of the game. Gains by *Jim Davis* and *Tommy Lyons* helped to break the spirits of Augusta through out the game. In the second half F.U.M.A. penetrated A.M.A.'s

territory to the 10-yard line, but the attack was stalled there. In the defense *Mike Davis* stopped several advances by A.M.A., but late in the game they scored to tie things up. Without the fine quarterbacking of *Rich Taylor* the team couldn't have done as well as they did. "*The Little Blue Devils*" showed much hope and all are looking forward to a great season.

21 WOODBERRY FOREST SCHOOL J.V. vs. F.U.M.A. J.V. 0

Much to the disappointment of our hard fighting team the scholars of Woodberry Forest School of Orange, Va. scored on the opening kick-off. This unfortunate incident helped to break the spirit of our little team for the rest of the game. After a slow start we carried the ball to the 12 yard line but due to a penalty the chance of a touchdown was stopped. On the opening kick-off

of the second half *Mike Davis* carried the ball for 45-yards but after that the offense just would not seem to get started. After this Woodberry Forest went on to score two additional touchdowns and brought the score to 21-0. *Les Martin*, *Lou Epley*, and the members of the back field played a hard game for the "*Little Blue Devils*," but just not hard enough.

19 HARGRAVE MILITARY ACADEMY J.V. vs. F.U.M.A. J.V. 7

In the first game away from home the "*Little Blue Devils*", on the opening kick-off, moved with ease to Hargrave's 10 yard line. Then Hargrave took possession of the ball and scored the first touchdown of the game. In the second quarter we recovered the ball. Moving back up the field we scored to tie things up, but was only followed by another touchdown by Hargrave. In the third quarter Hargrave again scored to give

them a comfortable lead. But in the fourth quarter FUMA seemed to gain the fight that it had been lacking when *Frank Brewster* was injured. *Ray Crescenzo*, after scoring our touchdown in the first half, made several good runs along with fine passing by *Rich Taylor* to bring the team into a scoring position, but they did not have the extra drive and the time to make the needed points.

35 STAUNTON MILITARY ACADEMY J.V. vs. F.U.M.A. J.V. 0

In the first quarter of the game against Staunton Military Academy the Little Blue Devils were unable to hold on to the ball and Staunton scored before the quarter was over. After that the line of F.U.M.A. seemed to come alive and held S.M.A.'s team from scoring another touchdown. When the halftime was over it seemed as if our

team had lost all its fight. Staunton scored four touchdowns and a safety in the remainder of the game. *Charlie Keenan* and *George Wolski* played outstanding ball in the second quarter. Something must be said for the ends, *Tom Diedrich*, *Dennis McKay* and *Morty Allison* who played a fine ball game.

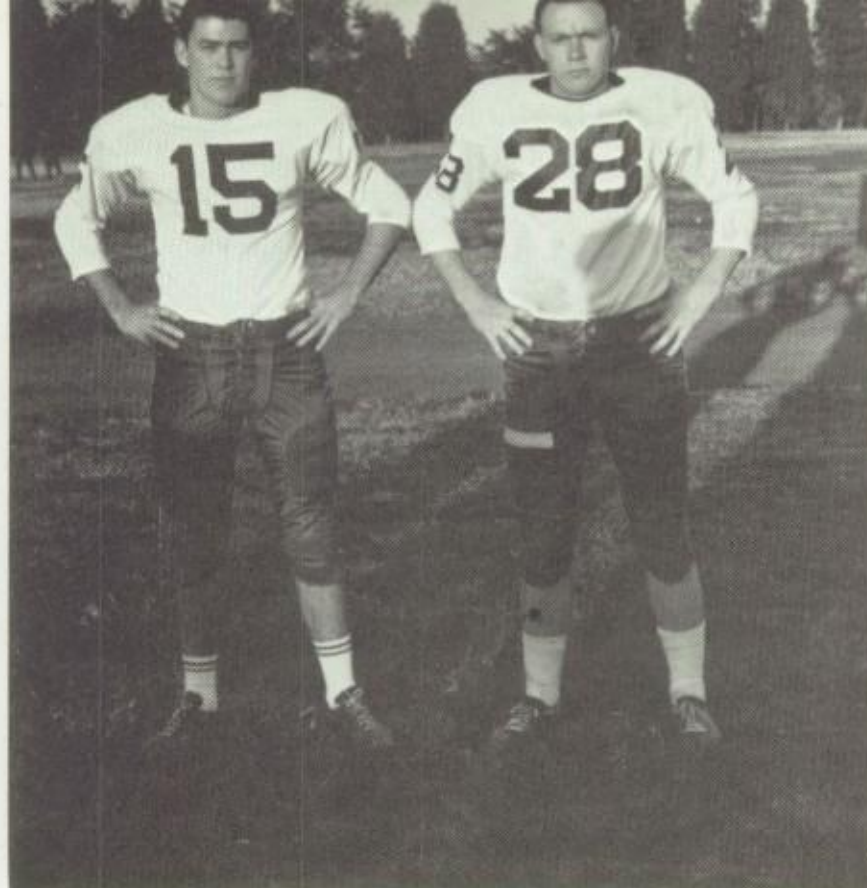

33 BLUE RIDGE SCHOOL J.V. vs. F.U.M.A. J.V. 0

The "*Little Blue Devils*" had more support from the Corps for this game than they have had in all previous ones. At the beginning of the game our team was looking great, but it did not last long, for Blue Ridge had several lucky breaks. They scored four touchdowns in the game before the half. In the third quarter and the fourth the

team played its best of the season. Only through a fine pass by Blue Ridge's quarterback were they able to score another touchdown. *Bill Little* and "*Swede*" *Olson* and the rest of the line did a real fine job on Blue Ridge. *Bob Mills*, to the surprise of all, ran 45 yards on a kick off return.

HUGUENOT ACADEMY J.V. vs. F.U.M.A. J.V.

0

F.U.M.A.'s "Little Blue Devils" went to Huguenot Academy's "Fall Festival" game to play their only night game of the year. When the team left the Academy they were ready to tromp Huguenot Academy into the ground. At the beginning we kicked off to Huguenot and held them back for their first offensive plays of the game, but in the last part of the first quarter they slipped by to score their first touchdown. They went on to

score again just before the half with a 65 yard pass attack. Going into the final half Huguenot went on to three more touchdowns. *Rich Taylor*, quarterback, passed balls which were caught by *Ray Crescenzo*, *Tom Diedrich*, *Dennis McKay*, and *Bob Mills*. *Mike Davis*, along with *Bob Mills* and *Jim Davis*, made good runs for F.U.M.A. But all this totaled was not enough for us to score in the game.

19

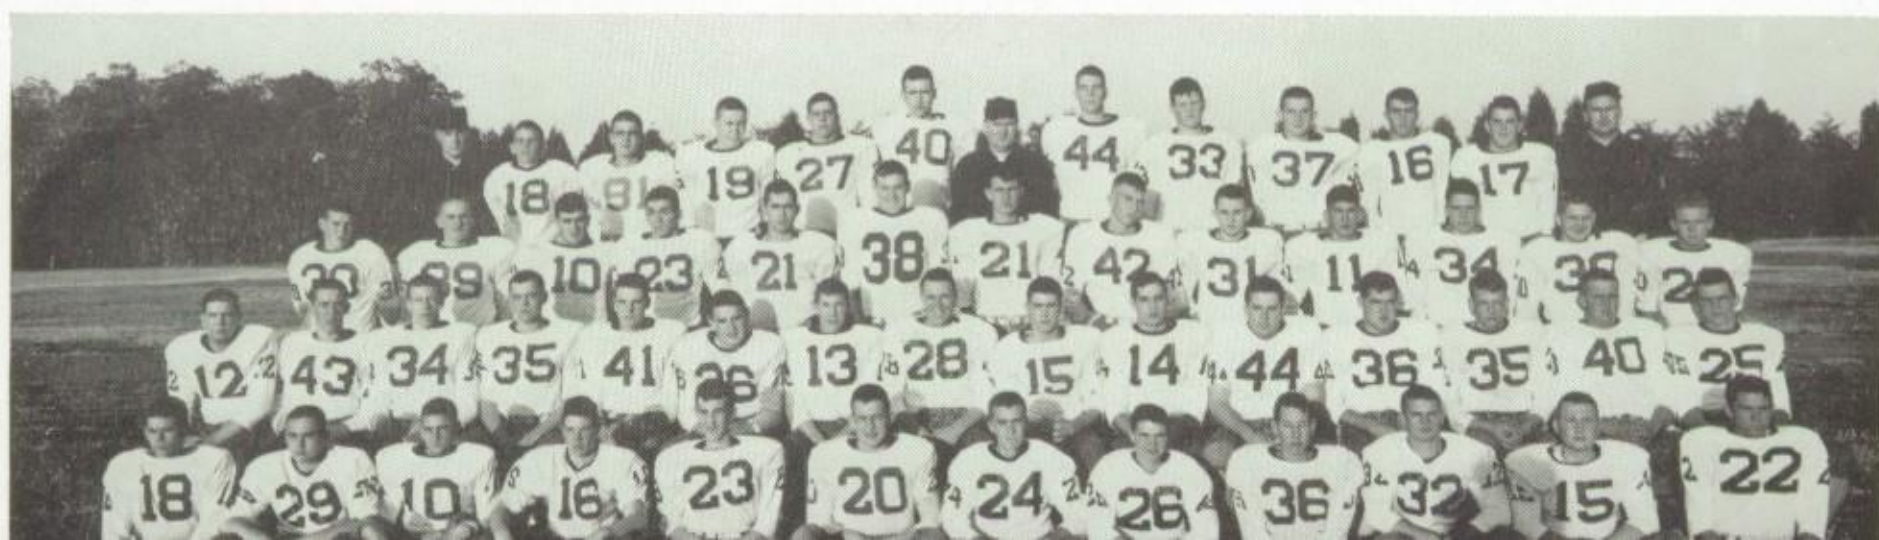

E. C. GLASS HIGH SCHOOL J.V. vs. F.U.M.A. J.V.

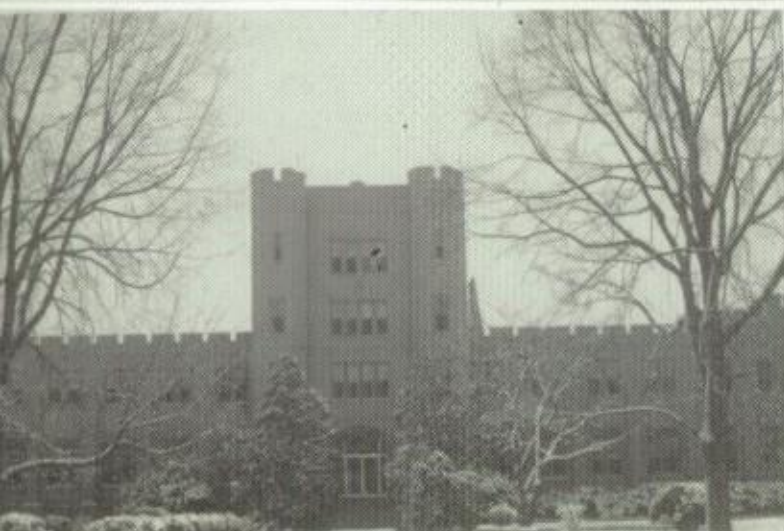

0

On Friday, November 9th, the "Little Blue Devils" were short many of their first stringers; however the bulk of the line was on hand to do a job on Glass's J.V.s *Bill Little* and *Less Martin*, acting co-captains, won the toss and soon the kickoff started the game. Glass determinately advanced the ball and scored twice before the half as F.U.M.A. again, as in all their other games, drove steadily within their opponent's 10 yard line and then ran out of first downs. Glass's

single wing had little success running outside F.U.M.A.'s determined ends, *Morty Allison* and *Bill Little*, so they went to the air where they had much success and went on to win. *Les Martin*, who displayed skill as a center for the first time, and many of the third string who played for the first time, like *Joe Willard*, showed good potential for the future F.U.M.A. J.V.s. F.U.M.A.'s J.V. had a hard season with an average of 0-6-1.

The king of sports today is archery. According to the National Association of Sporting Goods Dealers, it is also the fastest growing sport in the nation. Those who already know the thrill of releasing an arrow to watch it speed with terrific force into a target understand the reason for such popularity. The challenge it offers as a skill and in bow hunting makes it an ideal sport for everyone. The sport of bow hunting has been accepted by sportsmen all over the country and has certainly earned the title, "*A Sportsman's Sport*".

Due to the many types of shooting offered by archery it has appeal to all ages. Archery not

only gets you out into the woods and fields, but it is in the great American Tradition of clean competition.

Archery clubs meet a growing demand for fellowship, competitiveness, handicraft and sportsmanship. In the winter evenings the construction of arrows, quivers, gloves, and etc. gives one a sense of pride and accomplishment. Spring target work tightens slack muscles, whets competitive appetites and speeds the archer toward the fall testing period when he pits his skill against the cunning of a wild animal. Indeed archery is the king of sports.

An Expression of Appreciation

MRS. JETTIE WOOD EASON

We, the Junior School, would like to take this opportunity to express to you our sincere good wishes for the years to come. Although you will be leaving us at the close of this school term, you will always be in our hearts and prayers. We who return will miss your many kind deeds and willingness to help us any time we called upon you. Our needs were your first concern and we are grateful.

Good luck and best wishes from all your many friends at Fork Union.

Section One Class of 1964

CLASS OFFICERS

LT. ROBERT J. MacDANIELS M/SGT. THOMAS A. SILVIA

SUPPLY DEPARTMENT STAFF

Acknowledgments

Several changes in the *Skirmisher* have been made this year that could not have been successfully carried out without the help of several people behind the scenes. We, the Co-Editors of the 1964 *Skirmisher*, wish to thank:

Mr. Irvin I. Silvers and the Garamond/Pride-mark Press, Inc., Baltimore, Maryland, for their willingness to help with the changes and for their masterful printing and engraving.

Mr. and Mrs. A. A. McClung and the Andre Studio of Lexington, Virginia, for the fine pictures in this Yearbook.

Colonel Frank A. Crockett, Major Irving A. Howell, Major James D. Lynch, Mrs. Ellen B.

Stevens, Mrs. Robert M. Ivins, and Mrs. Conrad C. Aasen for their kind aid and consideration.

Captain H. F. Reichenbach and Captain C. F. Hoffman for their help, supervision, and kind action in helping us publish this fine book of our last year at Fork Union Military Academy.

We also wish to thank each member of this year's *Skirmisher Staff* for a task well done.

THE LAST WILL AND TESTAMENT

It is the most cherished privilege as well as the duty of the Class of 1964 to write a Last Will and Testament. Be it known by all concerned or interested that the Senior Class, in complete saneful control of our mental faculties do bequeath the following items of our estate and personality to the very fortunate under-classmen, who will have the honor of upholding and continuing the traditions of the Senior Class.

We wish to announce that *Paul Epley* being of sound mind leaves Fluvanna County to the "Natives" and his Mess Hall Associate, *Bob Archer*, leaves Sgt. Ristano all the dirty glasses and silverware. *J. B. Avery* is leaving his hat band and belt buckle to *W. B. Shoup*. *Doug "the Digger" Dains* is leaving *Ronnie Walker's* teeth to *B. C. Nelson* for good luck. *W. B. Shoup* is also receiving "Mac" *MacVittie's* clumsiness and drugstore. Because of *Pvt. MacVittie's* weakness, *S. A. Donley* gives him all his brains for he'll be back for P.G. Work. *George Melvin* leaves *R. E. Jennison* a slightly used one-way ticket to Viet Nam. *Mort X. Stroud* receives from *Jim Saunders* all of his S.F.C. stripes. For a good excuse to go on leave, *Nelson "Beetle" Bailey* leaves his broken pair of glasses and the French kissing bug to *Tommy Deaton*. Now and then being of sound mind, *Johnny Pearson* wills to *Norman Hose "Louis-Louis"*. We see that *Les Martin* leaves *Ed Kiker* his extra crop of hair and his excess fat to "Blotch" *Botch*. *Doug "Hips" Wolf* leaves his roommate, *Bob Williams*, his electric shoe buffer to remove tons of ugly fat with the hope that it works better this time. The key to the flagpole goes to *Al Whitehouse* from *Steve Landreth*, who has a great many friends. *Tommy "Slim" Groff* leaves *J. H. Read* 20 lbs. of manly muscle so that he might join the 97 lb. Weakling Club. To *Jay "Hair" Basta*, *Ed Ball* leaves his driver's license and selection of the "village queens". *D. E. Hall* is leaving *Mortimer X. Stroud* his ball and extra locker. *Pete Dawson* leaves his ability to get stuck on College Boards to *J. E. Wallace*. *Buddy King* leaves his dental appointments to any cadet who wishes to get out of BIBLE classes. *Buddy King* would also like to leave the stamps from *Patse's* love letters to *Jimmy White*, who would rather have *Patse*. With great pleasure, we announce that *Captain Gaddy* is receiving *Rodger Clark's* kimono. To *Norman Hose* goes the private rear of "B" Co. from *Frank Parker* who so unexpectedly moved out. *Ronnie Molesworth* wills to *Rick Shults* a key to the flagpole because with luck he'll need it next year. The E.D. ability of *Jack Hundley* goes to *Drew Hazen*. *Rolfe Langhorne* leaves his bricks from the "E.D. Pad" to the *Captain Gaddy* trophy case. *Bill Dickinson* leaves his huge ears to *Drew Hazen* in hopes that he'll learn to fly. *Larry "Flockey" Fischer* leaves his long, wavy eyelashes to *R. P. Miller* in a last desperate attempt that he will find some girl who will look at him twice. To the next Ridge Runner from West Virginia, *Chuck Keenan* leaves the position of Chief Advertising Agent and Good Will Ambassador. *Roberto Belmont* wishes to will his Peruvian accent to our next rugged he-man, *Eli Pippas*. *Russ "Jarhead Ranger, Leatherneck" Turnbull* leaves his monkey love suit to *R. P. Miller*. *Bruce Hill* wills his ability to write love letters to *Art VanTine*. *Butch Fatton* wills to the world the knowledge that *Vinnie "Coordinated" Scotti* is F.U.M.A.'s answer to the missing link. Leaving to the next scapegoat of "A" Co., *Bill Little* wills all of his false pride. *Bill Fuhr* leaves to *C. W. Cove* his book "How to Use a Strong, Commanding Voice Advantageously" in hopes of helping him find a way to put his tremendous voice to use next year. Although *Robert Bentz* is not of sound mind nor body, he leaves his ability to get along with "Chopper", "Bubbles", "Moonbeam", "Freddie the Freeloader", "Jack", "Junior", and "the Major" to the next "Battalion Coolie". *Richard Kroll* leaves his Westinghouse Washing machine type record player to *E. G. Evans*. Now that *Stu Brauer* is 18, he leaves his Md. and D.C. friends the ability to 3.2 brew cards out of military manuals. *Ed Mosher* leaves, with great sorrow, his suite in the Psycho Ward to the next "B" Co. outcast. *Mac Harris*, *Tom Hutton* and *Mike Snow* will all their broken cigarettes to *Coach Buffman* and *Coach Jack Thompson*, who seem to have a knack for catching them in the act. *Mike Martin* is the proud receiver of *Bill Terry's* crusty unwashed ash tray. Since *Steve Anderson* is a religious gentleman at heart, he wills his BIBLE abilities and his love for

the subject to brother Scott. *John Rice* leaves his position in Freddie's Sports-wear Dept. to Frank Holland, who is to carry on the tradition of making Captain Hoffman angry. "Woody" Cohen receives *Dave Glover's* copy of "The Rise and the Fall of the Third Reich". *Arthur Gasperini* leaves the "quiet" third platoon of "C" Co. of M Hall to Captain Spencer. *John Williams* wills his Senior Ring Cleaning Solution to Mark Richards. *Harry Wright*, the self-made man, leaves his military bearing and alertness to Tommy Lyons, who needs it. *Jack Crowell* being of crazy mind leaves his "cow-calling laugh" of intelligence to R. C. Cavanaugh. Steve Lipe receives from *John Gardner* a pair of well used officer's shoes, which have been passed down through the years by Joe Gardner to Dick Aldridge to Ed Crooks to Ed Aldridge to John Gardner. *George Smith* wills his Field Marshall's hat and a pair of pants to any-one that is crazy enough to think he can fill them. We see that *Steve Rayfield* wills to "Hudgie" Mitchell a pair of experienced tennis shoes, that he might make it to the flagpole each morning to raise the Colors. "Physique" *Camprini* wills everything remaining in the weight room, a year's supply of Metrecal, and a book on "How to Reduce" to Vinnie Scotti X. One bottle of black hair dye and a mask with a smile on it to Herman Gerbracht from *Bill Bragg*. *Bob Gray* leaves his box of "silly puddy" to G. L. Edwards and may he use it wisely. *Frank Bloxton* leaves his roommate to G. L. Edwards and may they live in Peace. *Ronnie Walker's* ability to keep long hair throughout the school year goes to Archie Ott. *Bob Birk* wills his horrible complexion and prayer book to Mark Richards. *Curtis "Pincher" Hastings* leaves his Polaroid Camera and businesslike attitude to anyone who needs a fast buck. *Mike Snow* leaves to Captain Wiser a pair of well broken-in combat boots with hopes that he will go by the book. *Jim Brown* wills his camel, harem and precision drill manuals to the next "leader." *Mike "Gun-HO" Mais* is sorry to leave his paradise, but with all due respect wills his "worn-out" private shower to baby brother in the hopes that he will not have to be told to use it. *Ernie Anderton* is leaving his extra Captain MacDougall Fan Club membership cards to Chris Gregory. "Dion-Baby" *Armstrong* wills his guitar and barbells to his fan club. *Manuel Quijano* will leave a Panama flag with a trustworthy junior in the hopes that he will be able to beat the American flag to the flagpole each morning. *Ed. Bremson* leaves his ability to get out of work and everything else to Tom Nicholls. *Alan Howell* and *Bill Wallace* were in such a hurry to get back in Fluvanna County and the "natives" that they forgot to leave anything. "Woo-Woo" *Wooten* wills his Troop Leading Steps to the next "C" Co. "leader". *Tom Bolton*, leaves his 97 lb. Weakling Club membership card to J. H. Read. *Keith Wilson*, and *Frank Brewster* leave their camouflage insurgent's beret to Jim Bonham, who will try to out-do the insurgents next year. *John "Fish" Pittington* wanted to come back next year until a few other Seniors talked to him, but they made him angry, so he isn't going to leave anything. *John McConnell* leaves his rank to Captain MacDougall, who so assiduously tried to take it away. *Rex Buckley* leaves his ability to look over the tops of his glasses to R. D. Robbins. *Phil Brown* leaves his hose pressure to Tom Broadaway. *Fred Pruden* leaves the key to the Band Company basement to Nelson "Fatboy" Confer. *Mike Mais* has also decided to leave the book "How to Make Friends and Influence People" (left to him by Glenn Power) to Jim Bonham. *Terry Shrum* wills his surf haircut to Woody Cohen. *Charlie Dawson* leaves his expert Drill Platoon abilities to J. L. Bell, who might not be around long. *Jim "G.I." Davis* wants to return next year to "A" Co., but he can't so he wants to leave his love for Company Competition to D. J. Reddick. *Charles Mattern* Leaves his membership to the "Friendly Club" to J. B. Martin. *Wayne Hoover* leaves his Man-Tan to Mark Kiriakow. "B.A." *Miracle* wills his name and initials to Jim Jacobi. "Cosmo" *Ward* wills his officer potential to T. L. Rector. *Gary Nelson* leaves his beaver and coon tails to Archie Ott. Those Seniors who have not been mentioned above just want to leave. The Properties mentioned in this last will and testament are reaffirmed as to their value and existence. Naturally these gifts are of the greatest value and their primary purpose is to enlighten the load of the poor underclassmen who return next year. We, the undersigned, do hereby affirm that all items of this estate are fitly and legally bestowed.

Senior Class of 1964
